Declaration

ARGIP Sp. z o.o. hereby declares that, following the entry into force of Regulation (EU) 2025/40 of the European Parliament and of the Council of 19 December 2024 on Packaging and Packaging Waste (PPWR – Packaging and Packaging Waste Regulation), its packaging and packaging components are being assessed for compliance with the applicable requirements set out in the PPWR.

ARGIP Sp. z o.o. further declares that:

1. Packaging is designed to minimize the amount of material used while maintaining its protective and functional performance, in compliance with the requirements relating to product protection, safety, transportation, and storage.
2. The materials used in the manufacture of the packaging comply with all applicable requirements concerning restricted substances, as well as with all other relevant provisions of European Union legislation.
3. Where packaging is subject to mandatory requirements regarding recycled content, recyclability, or any other specific obligations established under the PPWR, such requirements are fulfilled within the scope and according to the timelines prescribed by the applicable legislation.
4. Upon the customer's request, we will provide documentation demonstrating compliance, to the extent permitted by applicable law and subject to the protection of confidential and proprietary information.
5. Should it be determined that the supplied packaging no longer complies with the applicable legal requirements, we will promptly notify the customer and take appropriate corrective actions to restore compliance.
6. We have implemented appropriate procedures for monitoring and maintaining packaging compliance and cooperate closely with our material suppliers to ensure continued conformity with the requirements of the PPWR.

This declaration has been prepared on the basis of the technical documentation currently available and the information provided by our packaging material suppliers.
